(10) Notwithstanding subsections (8) and (9), if the property is of a perishable nature, it may be sold at once, and in that case, the proceeds of sale shall be held pending the decision of the Magistrate’s Court and shall then be dealt with as the Magistrate’s Court may order.

deduct the amount so paid by him from the rent due or to become due by him to the proprietor, and may retain possession of the property until such amount has been fully reimbursed to him whether by deduction from the rent or otherwise.

(6) The receipt issued by the management corporation or the subsidiary management corporation for any amount so paid by any such tenant, subtenant or occupier under subsection (5) shall be deemed a discharge in full for the like amount of rent.

(7) If any person whose property is attached disputes the legality of the attachment, he may, within fourteen days of the date of attachment, apply to the Magistrate’s Court having jurisdiction in the place of attachment for an order for the release of the property, and the Magistrate’s Court, after making such enquiry as may be necessary, shall grant or refuse to grant the order.

(8) If the sum due is not paid within fourteen days from the date of attachment, the property attached or such portion of the property attached as may be sufficient to realize the sum shall be sold by auction conducted by the management corporation under the supervision of the Commissioner, unless within that period an application is made under subsection (7), in which case the property shall be held pending the decision of the Magistrate’s Court and shall then be dealt with as the Magistrate’s Court may order.

(10) Notwithstanding subsections (8) and (9), if the property is of a perishable nature, it may be sold at once, and in that case, the proceeds of sale shall be held pending the decision of the Magistrate’s Court and shall then be dealt with as the Magistrate’s Court may order.

(11) In any other case, the proceeds of sale shall be applied in satisfaction of the sum due together with the costs of the attachment and sale, and any surplus and any property not sold shall be paid or returned to the person who, at the time of attachment, was or appeared to be in possession of the property.
(12) The costs of attachment shall include the expenses of the maintenance of livestock and the custody of movable property.

(13) In this section, unless the context otherwise requires, “proprietor”, in relation to the recovery of a sum recoverable by virtue of subsection (6) or (8) from a proprietor, includes any successor-in-title to the proprietor.

(14) Where any property is sold by virtue of subsection (10) before the expiry of fourteen days from the date of attachment, the reference in subsection (7) to an “order for the release of the property” shall be construed as a reference to an order for the release of the proceeds of the sale of the property.

legislation is being or has been committed on any premises, so that any evidence or thing which is necessary to the conduct of an investigation into an offence may be found in any premises, the Magistrate may issue a warrant authorizing the Commissioner or any authorized officer named in the warrant to enter the premises at any reasonable time by day or by night, with or without assistance, and if need be by force and there to search for and seize any such evidence or thing, provided that nothing shall authorize any court other than the High Court to grant a warrant to search for a postal article, telegram or other document in the custody of the postal or telegraph authorities.

(4) The Commissioner or authorized officer examining a person under subsection (1) shall first inform the person of the provisions of subsections (2) and (3).

(2) The examples of whole floor parcels are, but not limited to, the following:

(a) a whole floor or a block of contiguous whole floors in an apartment complex;

(b) a whole floor or a block of contiguous whole floors in an office complex;

(c) a whole floor or a block of contiguous whole floors in a retail complex; and

(d) a whole floor or a block of contiguous whole floors of car parks in a complex.
(3) In order to be equitable to other parcels which form the majority and comprise only net lettable areas, a whole floor parcel must be adjusted to its equivalent net lettable area by taking into account its large circulation area or vertical transportation core (lifts or escalators) in the whole floor parcel.

(4) Table 2 shall not apply to simple types of shop-houses, shop-apartments, shop-offices and duplexes (each parcel is located on two floors).

**Weightage factor \((WF_3)\) for accessory parcel**

</tbody>

(2) An accessory parcel is an open or enclosed part of the development area that has been made appurtenant to a parcel and cannot be disposed of independently of the parcel.

(3) The examples of accessory parcels are, but not limited to, car bays, garden areas, roof areas and store rooms located away from the parcels.

(4) In order to be equitable before incorporating into the allocated share units of a parcel, the area of an accessory parcel must be adjusted to reflect that it is non-habitable and generally of lower construction cost.

(5) For the purpose of ascertaining the weightage factor in accessory parcels, the following interpretations shall apply:

(a) "outside building", in relation to an accessory parcel, means that the accessory parcel is located on a part of the development area which is outside a building and is neither part nor deemed to be part of a building; and

(b) "within building", in relation to an accessory parcel, means that the accessory parcel is located on a part of the development area which is within a building and forms part or deemed to form part of the building.
